.....

Dear Parents

It has been wonderful to have Year 1 and Year 2 pupils back in School. They have all been full of enthusiasm, delighted to be back with their friends and part of the Hursthead family again. I have been very proud of how positively they have responded to the necessary new routines and procedures.

Thank you for maintaining socially distancing in the playground at drop off and collection times; it does help the constant flow, however, if parents exit the playground directly on pick up.

Please also ensure the children do not play on equipment before and after school; the 'hill' is actually a designated outdoor play space for a particular class.

It is also helpful if the children have their required items each morning - coat (whatever the weather) book bag (with snacks inside), and water bottle, as this reduces the adults having to visit the school office.

A few parents have asked for clarification in regard to children bringing 'birthday sweets/treats' into School. At the current time, whilst we are limiting items between school and home, please can children not bring them into School. We will ensure birthdays are still thoroughly celebrated.

Thank you again for your help and support.

Kind regards, take care

Mrs J Driscoll
