7 January 2022

Dear Parents

We are very excited to inform you that the scooter/bike park will be officially open for use on Monday 10 January. The park is situated at the bottom of the playground to the left of the caged area. It has been financed through PSA fund raising and its development has been co-ordinated by the PSA committee and the school's caretaker, Mr Jones. Mr Jones has also worked hard manually to ensure its completion. Thank you to the PSA committee and Mr Jones for all their hard work.

Scooters and bikes can be left in the park each morning and collected at pick up time. If you intend to use the park please ensure any bike or scooter left is clearly labelled with your child's name and class number. There will be many replicated scooters/bikes across the school and we want to ensure you collect the one belonging to you! As a school, I am sure you will understand, we cannot guarantee the safety of any scooter or bike, especially if left over night. The park is intended as a voluntary arrangement for pupils and parents and as such will not be supervised by school staff. Please can Junior siblings not use the park in the week commencing Monday 10 January so that the maximum demand from the Infant school pupils can be monitored. It is our intention and hope that there will be availability for Junior siblings' bikes and scooters going forward.

I hope you enjoy the use of the park and look forward to not worrying about parents' backs whilst watching them drag scooters and bikes out of the playground!

Thank you for your continued support.

Take care and kind regards

Jane Driscoll
