

End of Year Expectations in Reading, Writing and Mathematics for Year 1

This document provides information for parents and carers on the end of year expectations for children in our school. The National Curriculum outlines these expectations as being the minimum requirement your child must meet in order to ensure continued progress.

All the objectives will be worked on throughout the year and will be the focus of direct teaching. Any extra support you can provide in helping your children to achieve these is greatly valued.

If you have any queries regarding the content of this booklet or want support in knowing how best to help your child, please talk to your child's teacher

Reading

Identify which words appear again and again

Recognise and join in with predictable phrases

Relate reading to own experiences

Re-read if reading does not make sense

Re-tell with considerable accuracy

Discuss significance of title and events

Make predictions on the basis of what has been read

Make inferences on the basis of what is being said and done

Read aloud with pace and expression, eg pausing at full stops and raising voice for questions

Recognise capital letters, full stops, question marks, exclamation marks and ellipsis

Know why the writer has used the above punctuation in a text

Know the difference between fiction and non-fiction texts

Writing

Write clearly demarcated sentences with mainly correct full stops and capital letters

Use the conjunction 'and' to join sentences observing the rules for correct punctuation

Use standard forms of verbs, eg go/went

Introduce the use of question marks and exclamation marks

Use capital letters for names and the personal pronoun 'I'

Write a sequence of sentences to form a short narrative

Use correct formation of lower case letters—starting and finishing in the right place

Use correct formation of capital letters

Use correct formation of digits

Mathematics

Count to and across 100, forwards and backwards from any number

Read and write numbers to 20 in numerals and words

Read and write numbers to 100 in numerals

Say 1 more/1 less to 100

Count in multiples of 2, 5 and 10

Use bonds and subtraction facts to 20

Add and subtract 1 digit and 2 digit numbers to 20, including zero

Solve one-step multiplication and division using objects, pictorial representation and arrays

Recognise half and quarter of objects, shapes and quantities

Sequence events in chronological order

Use language of day, week, month and year

Tell the time to the hour and half past the hour
