## HURSTHEAD SUNFLOWER GROWING COMPETITION 2021

After success in previous years, it is time to use your green fingers to see who can grow the tallest sunflowers and be crowned the Hursthead Infant School Champion Sunflower Grower of 2021. Previous winners have shown impressive skills with sunflowers reaching over 3m. This year we will have prizes for the biggest (there are some Russian Giant seeds hiding in the packs), plus we have added some red sunflower seeds for a nice surprise! There will be certificates for the best entry in each class.

The cost is £2, and for that you will receive seeds, instructions for growing (it's simple really and requires very little expertise or equipment), and details on how to share your giant sunflower pictures at the end of summer to be in with a chance of winning.

To join in, please follow the instructions below, by **Friday 5<sup>th</sup> March 2019**, and your seeds will be delivered to your home the following week. The winners will be announced after the summer holidays, but don't worry if you are moving to Juniors, you can still claim your prize.

We really hope you will have a go, brighten up your gardens, and raise some more funds for the PSA this year. Friends and family are welcome to join too...will anyone get over 4m this time!?

Thanks,

Caroline Smith on behalf of the PSA
