4. Policy Planning and Review

Whilst we have had a duty to develop and publish equality schemes in relation to both gender and disability and a race equality policy, we at Hursthead Infant School are considering all aspects of diversity and equality in this comprehensive policy to be followed by a revised specific equality action plan with clear objectives in relation to all strands covering a four-year period..

Policy planning and development

- In the planning and development stage of policy-making, we will ensure we have consulted with Governors and staff.
- All objectives will acknowledge which groups will be most affected or influenced by action, identify the success criteria and identify lead personnel.
- There will be a systematic review of the impact of all policies and procedures on equality and diversity to address any areas of inequality. (eg. achievement and attainment will be analysed to ensure progress for all, especially in relation to any identified disadvantaged groups; attendance and exclusion data will be reviewed to ensure no over-representation of any one group.)
- The policy and objectives will be reviewed on an annual basis

Monitoring and Quality Assurance

- Each pupil's progress is monitored and tracked. The resulting data is analysed in respect of gender, race, ability or additional needs, looked-after status.
- In addition to monitoring to rule out any potential disadvantage, quality assurance procedures ensure the school meets its duty to positively promote diversity. (eg. lesson observations record evidence of differentiation and texts are reviewed to ensure appropriateness and inclusivity.)
- The data collected is used to inform further school planning, target-setting and decision-making.
- The impact of school policies on all aspects of access, admission and exclusion data will be considered.
