

Hursthead Infant School

Primary School PE and Sport Premium

Evidencing the impact of the PE and Sport Premium

Grant received - £ 8,895

Academic Year 2014-15

The Government Primary School PE and Sport Premium has been allocated to primary schools to fund improvements to the provision of PE and sport for the benefit of children aged between 5 and 11 years old. At Hursthead Infant School the funding is used to improve the quality and breadth of PE and sport provision and for increasing participation in PE and sport with the aim that all pupils develop healthy lifestyles and reach the performance levels they are capable of. The use of the funding addresses all four key priorities:

- To improve the quality of teaching and diversity of the curriculum in order for all pupils to make regular and sustained progress.
- School Sport-to increase opportunities for participation, including for our young SEND pupils, in a range of extra-curricular and competitive opportunities.
- Health and well-being-To use physical activity to improve pupils' health, wellbeing and educational outcomes.
- To use PE, School sport and physical activity to impact on whole school priorities

Area of focus	Action	Effective use of funding	Funding Breakdown	Impact

Quality of teaching and impact of healthy lifestyles

Through teacher observations, children are closely monitored to see the progress made in different areas of PE and school sport. The premium has enhanced the overall provision offered at Hursthead Infant School.

The benefits of the premium are:

- children make good progress
- children focus on achieving their personal best
- children's self-esteem is enhanced
- children's confidence developed
- children are co-operative
- children are motivated to participate
- children are involved and engaged
- children understand the benefits of participating and the contribution of physical activity and sport to their overall development
- participation in team games
- development of social skills
- positive behaviour and sense of fair play is enhanced
- children are challenged individually through personal challenges
- children work competitively in pairs and small groups
- children are fully engaged during the physical education lessons and coaching activities
- all the children feel confident to try the new activities and participate fully during the sport sessions during curriculum time
- the coaches and teaching assistants have observed an increase in skills, cooperation, concentration and good team work
- the sporting activities have encouraged the children to engage in and enjoy these sports during playtimes and lunchtimes
- evidence of the development of leadership qualities
- the children are developing positive attitudes towards healthy, active lifestyles decision making
- school values and ethos are complemented by sporting values
- staff throughout the school make links across subjects and themes including PE
- to continually review the effective use of the funding and support identified areas of need, enhancing the overall provision
